Station 1

"In the beginning God created the heavens and the earth. The earth was barren with no form of life; it was under a roaring ocean covered with darkness. But the Spirit of God was moving over the water."

Genesis 1:1-2

Station 2

"Be still and know that I am God." (Psalms 46:10)

Station 3

"Watch your thoughts; they become words. Watch your words; they become actions. Watch your actions; they become habits. Watch your habits; they become character. Watch your character; it becomes your destiny.

Station 4

As people of God, Christians are called to care for God's gracious gift of creation. Christians are called to be moral images of God and to reflect God's divine love and justice through "keeping" the Garden. This special relationship with God requires good stewardship of God's creation.

"The Lord God put the man in the Garden of Eden. He put him there to work its ground and to take care of it."

Genesis 2:15

Station 5

Prayer: Loving God, make us worthy of the priesthood you have bestowed upon us. Help us reflect your marvelous light in word and deed as we seek to be people of mercy and justice.

Station 6

Prayer: Great God, we have taxed ourselves and your creation beyond our limits. Give us the strength to rest, the power to slow down, the will to relax. Let us be agents of healing and restoration as we allow the earth to rest with us. And as we rest, turn our eyes and hearts to you. Help us find meaning not in activity but in your peaceful presence.

Station 7

"I love you, Lord God, and you make me strong. You are my mighty rock, my fortress, my protector, the rock where I am safe, my shield, my powerful weapon, and my place of shelter.

Psalms 18: 1-2

Station 8

Prayer: Great God, everything you made points us back to you. Help us to see your workmanship in our lives, and the glorious earth you have made. We do not worship the creation, we worship you, the Creator, and yet we know that you have surrounded us with your beautiful earth so that we might never fail to recognize your presence and the wonders of your creation.

Station 9

Prayer: Dear God, you are our sustainer. You are our redeemer. You give us life. And you give it to us in abundance. As we see a reflection of your love in the water around us, may we never forget the promises you have made – promises of your presence, your care, and your great love for us. May we join you as you make all things new.

Station 10

Prayer: God of Hope, it is a blessing to be your partner, on a journey of love and happiness. We are humbled and grateful for your faith in us. Help us to have that same steadfast faith in you as we reclaim your call to be connected with all peoples in this world. May your kingdom come on earth as it is in heaven.
